

Fareham & Crofton CC 2018 Pre season Newsletter

2017 Season was memorable for many things; our first experience of the ECB's All Stars Cricket Programme for 5 to 8 year olds, continued improvement of our young 1st team in CD1 and getting the League's award for most improved ground. However its likely that the passing of three vice presidents and club stalwarts Dave Emery, Colin Palmer and of course Tony Brown will live longest in the memory.

The summary of the season, new committee members and plans for 2018 can be found in the AGM minutes which have been sent out by email and are also on our website along with the full fixture list for our four senior teams.
